

1 A Brief History of Computerized Telescope Mounts for Amateurs..... 1

2 A Review of Celestron GoTo Computerized Telescopes..... 7

Fork Mounted Celestron SCTs 7

 Celestron Compustar..... 7

 Celestron Ultima 2000..... 8

 Celestron NexStar GPS..... 10

 Celestron NexStar SE 10

 Celestron CPC..... 11

 Celestron SLT 11

 Celestron LCM..... 14

 SkyProdigy..... 14

German Mounted Celestron SCTs..... 15

 Celestron/Vixen Super Polaris Mount with Sky Sensor 15

 Celestron CGE 17

 Celestron AS-GT (CG-5GT)..... 18

 Celestron CGEM, CGEM DX 20

 Celestron CGE Pro..... 21

 Celestron VX 24

3 Introduction to the Celestron NexStar Evolution and SkyPortal App..... 27

 Telescope Optics 28

 SkyPortal Application..... 31

 Upgrades to SkyPortal 32

4 Basic Operation of the Celestron NexStar Evolution and SkyPortal App	35
Evolution Physical Setup	35
Smart Device and WiFi Setup	36
SkyPortal, Alignment Options and SkyAlign	37
Optional Automatic Alignment Using StarSense Accessory	40
Basic GoTo Search Operations	42
Searching from the Common Objects List	42
Help	73
 5 Basic Operation of the Celestron NexStar Evolution and NexStar+ Hand Control	 75
Alignment	76
SkyAlign with the NexStar+ HC	78
NexStar+ Hand Control Settings	90
GoTo Searches	93
Utilities	101
 6 Lessons Learned in Using the Celestron NexStar Evolution and SkyPortal	 113
Lessons Learned on Using the Celestron NexStar Evolution with SkyPortal	113
Trouble Shooting the Evolution/SkyPortal System	115
Further Discussion on Cold Weather Operation	118
Cold Weather Considerations for the Backyard Astronomer	118
WiFi Environment	120
NexStar+ Hand Control Reset	120
SkyPortal Searches	121
 7 Introduction to the SkyPortal WiFi Module	 123
WiFi Access Using the SkyPortal WiFi Module	123
Compatibility Information	124
 8 Advanced WiFi Tricks	 127
 9 Accessories for the Celestron NexStar Evolution	 129
Observing Accessories	129
Astrophotography and Astro-Imaging Accessories	138
Eyepieces	146
Combination Visual and Astrophotography Accessory	152
Auto-Alignment	154

10 Mounting Other Optical Tubes on the NexStar	
Evolution Mounts	157
Operating the NexStar Evolution Mount with Another OTA:	
SkyPortal Versus NexStar+ HC	159
11 Maintenance and Care of the NexStar Evolution Mounts	
and Electronics	161
General Maintenance and Care	161
A Discussion on Dealers, Service, Mail Order, and Warranty	163
SkyPortal Updates	163
Transporting Advice	163
Optics Collimation	164
Appendix A: Troubleshooting Checklist	165
Appendix B: Celestron Timeline	167
Appendix C: Celestron NexStar Evolution Schmidt-Cassegrain	
Telescope Specifications	169
Appendix D: Messier Catalog	173
Appendix E: The Caldwell Catalog	179
Appendix F: Selected Non-Messier Catalog NGC Objects	183
Appendix G: The Herschel 400	191
Appendix H: Current Sky Portal WiFi Module Compatible	
Celestron Mount Specifications	207
Appendix I: Glossary	211
Bibliography	215
Index	217

The NexStar Evolution and SkyPortal User's Guide

Chen, J.L.; Chen, A.

2016, XIX, 219 p. 167 illus., 153 illus. in color., Softcover
